Nico buys an ice-cream

a. Nico is walking.  
He sees a yellow butterfly. 
A squirrel is sitting on a tree.

b. Nico walks past the tree.  
He suddenly stops.  
He sees some money.  
He is surprised.

c. He bends down and picks up the money.  
The squirrel watches him from the tree. 
The tree is behind him.  
He can't see the butterfly any more.

d. Nico hears a bell. 
It's the ice-cream man! 
The ice-cream cart looks lovely! 
It is green in colour and has a red handle . 
It has 4 wheels. 
There are pictures of different ice-creams all over the cart. 
There is pink strawberry ice-cream, brown chocolate ice-cream, and yellow mango ice-cream. 
There are ice-cream cones, small ice-cream cups and ice-cream sticks.

e. Nico chooses strawberry ice-cream. Then he chooses an ice-cream cone.  
The ice-cream man gives him a cone filled with strawberry ice-cream. The boy takes the cone and pays with the money that he found.

f. He eats his ice-cream.  
Mmm it tastes good!
